Subject: FL Assumption- Programmatic Agreement

Justin,

Please see attached the final Programmatic Agreement for FDEP's signature. Please have Secretary Valenstein apply his electronic signature at his signature block, save the document and forward it back to me. Once we receive the document back from you we will forward to the other signatories for execution. The PA must be fully executed today so please sign at your earliest opportunity.

I'm also sending EPA's response to comments received from the consulting parties during the NHPA 106 consultation process. FDEP will receive a separate letter today transmitting the response to comments and a summary of EPA's consultation efforts with FDEP.

We appreciate FDEP's engagement throughout the consultation process and your important feedback and input on the PA.

Thank you,

Matt
